From Consumer Products to Industrial Chemical Solutions

Carlo & Richi provides comprehensive manufacturing and supply services tailored to international markets — from everyday consumer cleaning products to advanced industrial chemicals.

Consumer Cleaning Products

Laundry care, dishwashing liquids, surface, bathroom, kitchen & glass cleaners, air fresheners, bleach, fabric softeners and multi-purpose cleaners.

Industrial & Professional Chemicals

Heavy-duty degreasers, industrial floor cleaners, CIP chemicals, food-processing, dairy, brewery, textile, metal-treatment and automotive chemicals, industrial disinfectants.

Professional Hygiene Solutions

Hotel, restaurant, hospital and institutional hygiene, commercial laundry chemicals and kitchen hygiene systems.

Paper Products

Toilet paper, paper towels, centerfeed rolls, industrial rolls, napkins and facial tissues.

Personal Care

Liquid soap, hand wash, shampoo, shower gel and hand sanitizer.

Raw Materials

SLES, LABSA, CAPB, surfactants and specialty chemicals for cleaning product manufacturing.

Advanced Solutions for Professional Operations

High-performance industrial chemical solutions developed for demanding environments, designed to improve operational efficiency, hygiene and production performance across multiple industries.

Food & Beverage

Cleaning and sanitation for food processing plants, beverage facilities, dairies and commercial kitchens.

CIP Cleaning Chemicals

Clean-in-Place chemicals for pipelines, tanks, filling systems and production equipment.

Industrial Degreasers

Heavy-duty alkaline and solvent-based degreasers for machinery, engines and production lines.

Professional Laundry

High-performance detergents, boosters, softeners and disinfectants for commercial laundries.

PROFESSIONAL HYGIENE

Professional hygiene systems for businesses where cleanliness, safety and operational efficiency are essential.
